But when wholesale destructo hear of his election every moment. tion kappens on one line from the This will be a great triumph of the sudden destruction of a culvert known Democracy. No man living has been to be inadequate to discharge the more bitterly denounced or more un- waters of a flood, or from the falling scrupulously maligned. General Blair of a bridge that the whole village was was the Democratic candidate for the long aware was in an alarming stage Vice Presidency in 1868. He placed of decay, or from a collision through himself on high ground. While the heedlessness of conductors and READY MADE SUITS, others were pandering, trimming, engineers, the remedy is at once at and proposing to stultify themselves hand. The public should hold all to for the purpose of success, General a rigid accountability through whose Biair wrote a bold and defiant letter, neglect, oversight, imprudence or He struck the key-note to the popular parsimony the destruction happened. heart, and the result was the party The American people are disposed to Hosiery and Gloves, rushed to his support and he was pass too lightly upon the demerits of unanimously nominated as a candi- the living when such accidents occur. date for the Vice Presidency. The They hesitate to call things by their following is the letter which secured right names. They shrink from plaid Velvets shows what sort of a Democrat he is: thus take away the heavy sense Washington, Theedry, June 30, 1888.

Colonel James O. Broadhead:

Dear Colonel—In reply to your inquires, I begieave to say that I leave to you to determine, on consultation with my friends from Missouri, whether my name shall be presented to the Democratic Convention, and to submit the following.

vention, and to submit the following, as what I consider the real and only have in this contest. what I consider the real and only hause in this contest.

The reconstruction policy of the Radicals will be compliste before the next election; the States, so long excluded, will have been admitted; negro suffrage established, and the carpet-baggers installed in their seats in both branches of Congress. There is no possibility of changing the political character of the Simula, even if the Damocrata should sleet their President and a nojerity of the popular branch of Congress. We cannot, therefore, undo the Radical plan of reconstruction by Congressional scilor; the Semate will continue a bar to its repeal. Must we authout to 117 How can it be overthrown? It can only be everthrown by the authority of the Executive, who is aworn to maintain the Congression, and who will fall to do his

constitution, and who will fall to do his duty if he allows the Constitution to pened in consequence. On all the roads of the country where strict disconstraints are in papable violation of its fundamental crirecists. adments, which are in palphble violation of its fundamental principles.

If the President, clacked by the Leanor racy, enforces or parmits others so can force these resonstruction sets, the Essilication and the second of twenty spurious Benatiors and fifty Representatives, will control both branches of Congress, and his administration will be as poweries as the present one of Mr. Johnson.

There is but one way to restore the Governments and the Constitution, and that is for the President elect to disclare an inesse acts and and other the propiet to support the competition of the internation will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will almost the Representatives will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North, and they will contain a majority of Democratic from the North and they will contain a majority of Democratic from the North and they will contain a majority of Democratic from the North and they will contain a majority of the North and they have also of life that the Southern reads that the Southern reads that the Southern reads that the Southern reads they may all we may say with pride that the Southern reads they may say with pride that the Southern reads that the Southern reads though comparatively new, and we may say with pride that Democrate from the North, and they will all the Representatives selected by the while people of the Scenario to while not be difficult to compel the Scenario to submit once more to the obligations of the Constitution. It will not be able to with stand the public judgment, if distinctly invoked and charry expressed, on this fundamental issue, and it is the sare way to svoid all future strife to put this issue pishely to the country.

I repeat that this is the red and only I repeat that this is the real and only cause that might have been avoided,

verthrown, or shall we exert ourselves gether the mainings and contusions GROCERS AND COTTON FACTORS or its full and complete restoration? It sidle to talk of bonds, greenbacks, gold, received in a smash-up or destruction the public faith and the public cradit of cars and in a hand-to-hand contest What can a Democratic President do in with the outlaw of society—will work regard to any of these, with a Congress in both branches controlled by the carpet-baggers and their allies? He will be can scarcely cited a great railroad powerless to stop the supplies by which idle negroes are organized into political THE Avalanche is again guilty of garbling, and we call the attention of its readers to the extract from Webster, which we recently published, as especially applicable to it. We said on the lith we were for a Democrat for Schator of Arkansas, but we would have Clayton if we could not get a Democrat. The Avalanche publishes the paragraph in which the first idea is contained, to show inconsistency in the Appeal, and omits that part of the Appeal, and omits the third part of the Appeal, and the Appeal appeal the Appeal and the Appeal appeal the Appeal appeal the Appeal appeal the Ap

DROPST is a collection of water in some parts of the body, and bears different names cording to the parts affected, vis: whe enerally diffused over the body, it is called hen of the chest, Hydothorax.

TREATMENT.-Helmhold's hi hiy concer rated compound Extract Buchu is decidedly one of the best remedies for diseases of the bladder, kidneys, gravel, dropafcal swellings rheumatism and gouty affections, Under this head we have arranged Dysuria, or diffiulty and pain in passing water, Scanty Sc retion, or small and frequent discharges o water; Strangury, or stopping of water lematuria, or bloody prine; Gout and Rheo water. It was always highly recommends by the late Dr. Physick, in these affections. This medicine increases the power of digestion, and excites the absorbouts into healthy exercise, by which the watery alearoous depositions, and all unnatural energements, as well as pain and inflamma tion, are reduced, and it is taken by men women and children. Directious for use and

diet accompany.

PHILADEDPHIA, PA., February 25, 1807. H. T. HELMBOLD, Druggist: DEAR SIR-I have been a sufferer for up ward of twenty years with gravel, bindder

Having seen your preparations extensively advertised, I consulted with my family phy sician in regard to using your Extract Buchu. I commenced its use about eight months ago, at which time I was confined to my room.

Your Buchu being devoid of any unpleasant taste and odor, a nice tonic and invigoator of the system, I do not mean to be with out it whenever occasion may require its use in such affections. M. McCORMICK. Should any doubt Mr. McCormick's state ment, he refers to the following gentlemen: Hon. WM. BIGLER, ex-Governor, Pennsys-
